

Prepare the way before the Lord
We clear the highways of our hearts
lay down the idols of this world
align our souls we will return

Behold the Lamb behold the Lamb
who takes away the sin of the world
prepare the way prepare the way
behold our King is coming back again
behold Him behold Him

We give the honor due His name
in awestruck wonder seek His face
the God who was and still remains
glory to glory we are changed

Behold the Lamb behold the Lamb
who takes away the sins of the world
prepare the way prepare the way
behold our King is coming back again
behold Him behold Him

Son of heaven will return again
every eye will look to Him
We're returning to the King of glory
He will bring life to the wilderness
strength to the weariness
we're returning to the King of glory

We will see Him high and lifted up
o He's reigning over us
we're returning to the King of glory
He will reign in power forevermore
King of Kings and Lord of Lords
we're returning to the King of glory

Behold the Lamb behold the Lamb
who takes away the sin of the world
prepare the way prepare the way
behold our King is coming back again
behold Him behold Him
