

I will spend my whole life  
Clinging onto You  
I will persevere the fire  
Cause Lord You stand with me  
I will spend my whole life proclaiming what You've done  
I will persevere the fight  
Cause Lord You've won it all

I'm convinced the victory is sure  
He has spoken every promise is secure  
Don't need another reason to trust You are God

I'll keep my faith in the fire  
I'm surrounded by You  
I'll keep my faith in the fire  
I'm surrounded by You

I will spend my whole life  
Surrendered to Your will  
I will persevere the trial  
Cause Lord You'll lead me through

He has spoken every promise is secure  
Don't need another reason to trust You are God
