

# Lift up the Name of Jesus [Lyrics]

[FC Music Version] by Moriah Nepstad, Hannah Rae Faulk, Solo Ray

## Verse 1:

On earth let this be known  
The glory of the Lord is yours alone  
Your goodness calls us close  
Remind our souls that we were made to

## Chorus:

Lift up the name of Jesus  
Lord I will worship you alone  
I'll sing the song of heaven  
Holy Holy are You Lord

## Verse 2:

Lord just to bless your name  
There's nothing sweeter than to seek your face  
I'll bring my highest praise  
My oil poured out for your glory

## Chorus

Lift up the name of Jesus  
Lord I will worship you alone  
I'll sing the song of heaven  
Holy Holy are You Lord

## Bridge:

Awake Awake Awake my soul  
All hail the King upon the throne  
Bring praise, Bring praise unto the lamb  
All glory, All honor, belongs to Him  
All glory, All honor, belongs to Him
