## Bridge:

**Gb**                                  **Ebm**  
Your name has power oh my Jesus  
**Bbm**                                  **Ab**  
Darkness has to flee  
          **Gb**                                  **Ebm**  
You became sin to bring salvation  
          **Bbm**                                  **Ab**  
What's over me is under your feet  
          **Gb**                                  **Ebm**  
You put death in its place my Jesus  
**Bbm**                                  **Ab**  
Conquered hell and grave  
**Gb**                                  **Ebm**  
Tor the veil to dwell among us  
          **Bbm**                                  **Ab**  
The battle is already won

(Alt chords for second half)

**Gb**                                  **Bbm**  
You put death in its place my Jesus  
**Ab**                                  **Db/F**  **Db**  
Conquered hell and grave  
**Ebm**                                  **Bbm**  
Tor the veil to dwell among us  
          **Ab**  
The battle is already won

## Chorus:

**Db, Ebm, Gb**                          **Db**                          **Ebm**                          **Gb**  
Oh my heart just remember the God that you serve
