

When I look back  
I didn't think that I would make it  
I was sinking  
And the shame came like a wave  
I just knew that I was too far gone  
Then You showed up

On time God, You love the impossible  
On time God, You love doing miracles

I see it all now  
How Your hand is always working  
Even in doubt  
You were faithful, never failing  
Even when I thought the darkness won  
You showed up

On time God, You love the impossible  
On time God, You love doing miracles  
You're never too late  
You never give up  
Nothing's too far gone  
For the on time God

On time God, You love the impossible  
On time God, You love doing miracles  
You're never too late  
You never give up  
Nothing's too far gone  
For the on time God

You always show up  
You always show up

My hope is knowing  
That my God is holding  
Tomorrow in His hands  
My life, Your story  
You're not finished with me yet

My hope is knowing  
That my God is holding  
Tomorrow in His hands  
My life, Your story  
You're not finished with me yet

My hope is knowing

That my God is holding  
Tomorrow in His hands  
My life, Your story  
You're not finished with me yet

You're not finished with me Yet  
You're not finished with me Yet  
You're not finished with me Yet  
You're not finished with me Yet

Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying  
Keep watching keep waiting  
Keep hoping keep praying

You're not finished with me yet  
You're not finished with me yet  
You're not finished with me yet  
You're not finished with me yet

You're the on time God  
You love the impossible  
You're the on time God  
You love doing miracles  
You're never too late  
You never give up  
Nothing's too far gone  
For the on time God

You always show up  
You always show up  
You always show up  
You always show up
