

The Cost [Lyrics]

[FC Music Studio] by Moriah Nepstad, John Stratton, Tempitope Peters, Joshua Miller

VERSE 1

May the sound of my life be
Holy and pleasing a sweet escalation
May my heart be an altar
That burns with desire receive my adoration

PRECHORUS

If worship must cost me oh let it cost me I won't offer nothing
This is my response my true act worship is

CHORUS

A life laid down in full surrender
Oh Jesus, oh Jesus be the center
I gladly serve forsaking all the others
Oh Jesus oh Jesus be the center

VERSE 2

May this song be a fragrance
That lasts through the ages I'll break the alabaster

PRECHORUS

If worship must cost me oh let it cost me I won't offer nothing
This is my response my true act worship is

CHORUS

A life laid down in full surrender
Oh Jesus, oh Jesus be the center
I gladly serve forsaking all the others
Oh Jesus oh Jesus be the center

BRIDGE

My every breath, what I have left, I count the cost of every drop
You're worth it all You're worth it all

Your blood was shed on Calvary, You paid the cost with every drop
You're worth it all Your worth it all
You're worth it all Your worth it all
