

great is my Shepherd I lack nothing
you place me by rivers of rest
your rod and your staff they guide me to comfort
I delight in blessings of You

our Possession
our Provision
Lord our Portion
You're the Greatest Shepherd
You give shelter
You give comfort
You renew my strength
You're the Greatest Shepherd

Pleasant the boundaries have fallen for me
I'm kept in the Shepherds sight
my comfort is found in Your protection
I walk not alone but with You

our Possession
our Provision
Lord our Portion
You're the Greatest Shepherd
You give shelter

You renew my strength
You're the Greatest Shepherd

Dependent on Jesus
There's no better posture
My heart is to know You
The voice of the Father

His love is abundant
My cup overflows
His blessing it finds me
I worship the Lord

Dependent on Jesus
There's no better posture
My heart is to know You
The voice of the Father

His love is abundant

My cup overflows
His blessing it finds me
