## Intro

### Verse

My heart is open completely abandoned  
Fully surrendered  
Come move in this room  
You have my attention all my affection  
Have my devotion  
Do what only you can do

### Chorus

You are worthy of every song I sing  
You are worthy of every part of me  
You are all enough everything I need  
Oh you are, yes you are

### Verse

My heart is open completely abandoned  
Fully surrendered  
Come move in this room  
You have my attention all my affection  
Have my devotion  
Do what only you can do

### Chorus

You are worthy of every song I sing  
You are worthy of every part of me  
You are all enough everything I need  
Oh you are, yes you are

## Instrumental

CmBbAbEb

## Bridge

There's never gonna be a - nother another name like Jesus  
Only you deserve it all of my worship  
And We'll join in with the angels  
My future is to worship you

## Bridge

There's never gonna be a - nother another name like Jesus  
Only you deserve it all of my worship  
And We'll join in with the angels  
My future is to worship you

### Chorus

You are worthy of every song I sing  
You are worthy of every part of me  
You are all enough everything I need  
Oh you are, yes you are
